

COOKIE POLICY

What is a cookie?

A cookie is a small piece of text that websites visited by users automatically send to the browser and is stored on the user's personal computer to be recognized by the browser any time the user visits the website. Cookies are used for several purposes, have different features and may be used both by the visited website holder and third parties. Below you will find all the information on the cookies installed via this website as well as the necessary instructions on how to manage your cookie preferences. For further information on cookies and their general functions, please visit an information website such as <http://www.allaboutcookies.org>.

Cookies used by this website

The use of cookies by the holder of this website, Golf Des Iles Borromées SpA - Località Motta Rossa - 28833 Brovello Carpugnino (VB), falls within the scope of the holder's Privacy Policy; for all the information required by art. 13 of EU Reg. 679/2016 click on Privacy Policy.

Technical cookies which do not require user consent

This website uses technical cookies (validity 120 minutes) which are strictly required to navigate through the website correctly (language selection), as well as cookies for user preference storing. Specifically, this website uses a session cookie to store the user acceptance of cookie policy, in order to prevent repeated banner popups during the visit.

Furthermore, statistical cookies are released and directly used by the website manager to collect aggregate information: The website moreover uses third-party statistical cookies (Google Analytics) to collect aggregate information, set up as technical cookies, that is, with anonymized user IP (with no IP profiling for user data) and without sharing data with the aforesaid third party.

Access to third-party information:

Privacy Policy: <http://www.google.com/policies/privacy/>

Cookie Policy: <https://developers.google.com/analytics/devguides/collection/analyticsjs/cookie-usage>

Opt out: <https://tools.google.com/dlpage/gaoptout?hl=it>

All technical cookies do not require user consent, so they are automatically installed upon website access.

Cookies requiring consent

All cookies other than the aforesaid technical ones are installed or enabled upon explicit user consent on the first visit. Consent can be generally expressed by interacting with the short information banner on the website landing page according to the instructions given in the banner (by clicking the OK or X buttons, or continuing the navigation by scrolling or clicking links) or it can be given or denied selectively, according to the methods described below. The given or denied consent is stored and recalled in future visits. However, users can always totally or partly withdraw the consent they had expressed.

Please note that you can also manage your cookie preferences through the browser

If you do not know the browser type and version you are using click "Help" in the top browser window, where you can find all the necessary information. If you know which browser you are using click the relevant link to access the cookie management page.
